Dear Tim,

Thanks for the GLORIOUS introduction!!!

Pocket Books wants me to get a letter from you saying that you give me permission to use the quotes from your books, letters and conversations in Cosmic Trigger.

I'll be seeing you at the Libertarian Convention next week -- and don't forget that you are scheduled for Dr. Steve Langer's radio show on Thursday July 14 at one p.m.

Looking forward to seeing you,

and thanks again for the introduction,

Bob W
